HOME RENOVATION CONTRACTORS RICHMOND HILL

We are general contractors so we build and renovate. We can build an addition or garage. We do basement renovations, kitchen renovations and bathroom renovations. We also supply and install steel roofs, build decks and design beautiful landscaping.

We are professional, trusted and focused on customer satisfaction. Our Richmond Hill clients come back to us year after year and tell their friends and family about us. We are also fully accredited with the Better Business Bureau.

You can trust our team of professionals to ensure that you receive a quality result. Why take chances? Trust your renovation and home improvement projects in Richmond Hill to the logical choice.

We pride ourselves on our reputation for a timely completion of services with a professional and artisan touch. Our licensed and insured handymen and remodeling contractors can save money for you. We possess the knowledge and equipment to serve you. We are highly skilled, trained, and will provide you with superior quality and service.
